S.E.T. Environmental

Fred advised S.E.T. had covered off a 48ft. area. The caller plus two others were in the immediate area and have been taken care of by S.E.T. , clothes and shoes placed in bags and carried off. The night shift had their shoes checked and now are back to normal (small crew). S.E.T. did vacuuming and cleanup, will do scrub down tomorrow of area. Fred will call back tomorrow to speak with someone about reportable quantities.
